

I am proud to announce that Robert Williams has joined the ranks of a few specially selected SO-CAL Speed Shop licensed artists that keep our product on the cutting edge of hot rod and custom clothing designs. Robert and I go back over 30 years as he helped launch a fledgling company (Pete & Jake's) with some of the coolest t-shirt and ad designs anyone had ever seen.

Robert has journeyed a long way from the days he worked for Ed "Big Daddy" Roth and contributed to "Zap Comics." He is now considered one of the world's most renowned artists and the man responsible for taking the "Kustom Kulture" genre into the realm of fine arts. We are honored that he has come back to his roots and is sharing his work through a special series of designs sold exclusively through SO-CAL Speed Shop, its stores and dealers.
