

# Front End Components

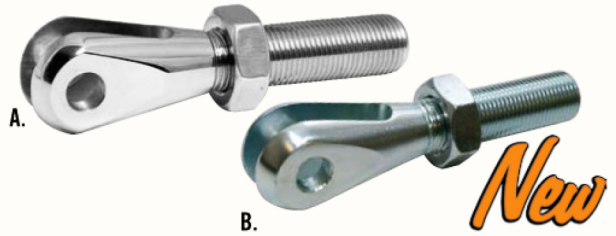

est. 1946

**GT2 S/S Adjustable Rod Ends:** Originally designed as a 4-link adjuster these S/S rod ends have been used as problem solvers for years. They come in various sizes, with urethane bushings and jam nuts ("complete") or without ("bare").

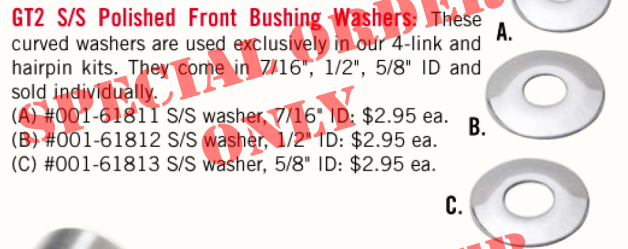

- (A) #001-63701 5/8"-18 angled 11° shank, polished, complete, 1/2" ID: \$34.80 ea.
- (B) #001-63704 5/8"-18 angled 11° shank, polished, complete, 5/8" ID: \$34.80 ea.
- (C) #001-62701 5/8"-18 angled 11° shank, polished, bare: \$28.80 ea.
- (D) #001-63702 5/8"-18 straight shank, polished, complete, 1/2" ID: \$34.80 ea.
- (E) #001-63704 5/8"-18 straight shank, polished, complete, 5/8" ID: \$34.80 ea.
- (F) #001-62702 5/8"-18 straight shank, polished, bare: \$28.80 ea.
- (G) #001-60605 3/4"-16 straight shank polished, complete, 5/8" ID: \$34.80 ea.
- (H) #001-62700 3/4"-16 straight shank polished, bare: \$28.80 ea.
- (I) #001-60602 5/8"-18 straight shank steel, complete, 1/2" ID: \$28.80 ea.
- (J) #001-62699 5/8"-18 straight shank steel, bare: \$26.80 ea.

**Front Clevises:** We offer two types of clevises for front radius rods; (A) polished S/S, 5/8"-18 male shank with a 3/8" hole and (B) zinc plated steel, 5/8"-18 male shank with a 3/8" hole. Both designs have a 3/8" slot and include a jam nut.  
 (A) #001-62127 Front S/S clevis, 3/8" hole: \$32.39 ea.  
 (B) #001-62145 Front zinc clevis, 3/8" hole: \$17.94 ea.

**GT2 Front Urethane "90" Bushings:** These bushings were designed as a suspension component, but over the years they have found their way into numerous hot rod applications even motor mounts. They feature 90 durometer hardness and the 5/8" I.D. and 1/2" I.D. sleeves are 1 3/8" wide.  
 (A) #001-61803 Bushing halves front: \$2.39 ea.  
 (B) #001-61809 Inner sleeve front 1/2": \$4.20 ea.  
 (C) #001-63307 Inner sleeve front 5/8": \$4.20 ea.

**GT2 S/S Polished Front Bushing Washers:** These curved washers are used exclusively in our 4-link and hairpin kits. They come in 7/16", 1/2", 5/8" ID and sold individually.  
 (A) #001-61811 S/S washer, 7/16" ID: \$2.95 ea.  
 (B) #001-61812 S/S washer, 1/2" ID: \$2.95 ea.  
 (C) #001-61813 S/S washer, 5/8" ID: \$2.95 ea.

**GT2 S/S Hair Pin Bolt Kit**  
 #001-60617: \$90.00 kit

**GT2 S/S 4 Link Pin Bolt Kit:** #001-61602: \$119.00 kit

**GT2 S/S Weld-on Outer 4-link Front Sleeves:** This outer weld-on sleeve is machined to match our GT2 S/S adjusters which have a peaked center. It fits many custom applications from suspension to motor mounts.  
 #001-61805 Front S/S 4-link sleeve: \$16.00 ea.

**Chrome Steel Clevis Bolt Kits:**

#001-62164 SO-CAL kit includes (4) 3/8" bolts and Nylok nuts: \$31.19 (4 pack)

**Jam Nut:**

#001-60614 5/8"-18 S/S jam nut: \$8.00 ea.  
 #001-60615 3/4"-16 S/S jam nut: \$8.00 ea.
