Borgeson U-Joints and Shafts: SO-CAL offers a wide range of Borgeson steering joints and shafts for all popular steering columns including splined. Shafts available in a variety of lengths in 2" increments. Call with your requirements.

- (A) #008-409418 18" x 3/4" DD steel shaft: \$25.00 ea.
- (B) #008-013449 3/4" 36 spline x 3/4" DD joint, steel: \$83.70 ea.
- (C) #008-014918 5/8" 36 spline x 3/4" DD joint, steel: \$83.70 ea.
- (D) #008-113449 3/4" 36 spline x 3/4" DD joint, S/S: \$101.86 ea.
- (E) #008-114921 5/8" 36 spline x 3/4" DD joint, S/S: \$101.86 ea.

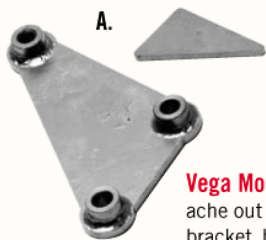

Vega-style Cross Steering Boxes: SO-CAL carries two different Vega-style steering boxes: Original-style cast iron offering a ratio of 22:1 or a Flaming River 16:1 steering box.

- # 008-920004 OEM Saginaw 140 Vega Box: \$351.75 ea.
- #013-FR1500Q Flaming River 16:1 steering box: \$712.18 ea.

GT2 S/S Pitman Arm: This beautifully styled and superbly engineered Vega pitman arm is constructed of investment cast 17-4 stainless steel and fits the sector shaft spline perfectly. The tie rod end hook-up point is tapered from the top side only and the arm comes in either a plain or polished finish. Measures 6 1/4" center to center.

- (A) #001-60201 GT2 S/S pitman arm polished: \$94.80 ea.
- (B) #001-60203 GT2 S/S pitman arm unpolished: \$83.94 ea.

Vega Mounting Plate: This little kit takes the headache out of mounting a Vega-style steering box. Main bracket has clear holes in the bottom and tapped hole at the top. Includes gusset.

- (A) #001-62160 Vega mounting plate: \$49.95 ea.
- (B) #001-62167 Vega box bolt kit: \$13.19 kit

Also available

- (A) #001-60609 Pitman arm chrome steel: \$102.00 ea.
- (B) #001-60608 Pitman arm plain steel: \$85.00 ea.

Stainless Vega Pitman Nut: Stainless, domed pitman nut with washers.

- (A) #001-60202 Polished: \$30.00 ea.
- (B) #001-60204 Unpolished: \$25.17 ea.
