

**SO-CAL Hot Rod Front Brake system includes the following features:**

- Die cast aluminum alloy drum covers. Casting flaws such as pin holes or voids are a thing of the past.
- The backing plate is constructed of pre-polished deep drawn stamped stainless steel. Here again, a flawless finish prevails.
- Air inlet scoops are heat treated investment cast stainless steel, again showing no casting flaws.
- The Hot Rod Brake system uses Wilwood four piston aluminum calipers and our own vented cast iron rotors.
- The entire assembly rides on a New Traditionalist CNC machined aluminum hub that include bearings and seals.
- Hot Rod Brakes are available in 5 on 4 1/2", 4 3/4" and 5 1/2" bolt circles and fit '37-'41 Ford round (not square) style spindles.
- They fit most 15" and up diameter wheels with a maximum back space of 3 1/2" and do not fit 14" wheels.
- Hot Rod Brakes are available in a plain or polished finish. The system is sold exclusively through your local SO-CAL Speed Shop or SO-CAL Speed Shop authorized dealer.

#001-62024 Hot rod brakes, plain: \$1795.00 pr.

#001-62031 Hot rod brakes, polished: \$1995.00 pr.

**Replacement Bearings & Seals:** We offer replacement bearings and seals for SO-CAL Brakes. The bearings and seals are sold as a complete set of four (includes inner and outer races), and (2) seals.  
#001-62036 Bearings & seals kit: \$99.95 kit

**Air Inlet Scoops:** These bolt-on air scoops are designed specifically for SO-CAL Brakes but with minor modification fit '39-'48 Ford backing plates. They are made of investment cast stainless steel and come in either a plain or polished finish.

(A) #001-62032 Air scoops, polished S/S: \$239.95 pr.

(B) #001-62023 Air scoops, plain S/S: \$189.95pr.

**Hot Rod Brake Rear Drum Cover:**

Developed to match the front brakes, these die cast aluminum covers are designed to fit over a 9" Ford rear drum. They index off the 2.8" rear drum register, come with a uni-lug pattern for 5 on 4.5", 4.75", 5.0", 5.5" and are available in plain or polished.

#001-62107 Aluminum drum cover polished: \$690.00 pr.

#001-62027 Aluminum drum cover unpolished: \$450.00 pr.

**Replacement Caliper Pads:**

We now offer SO-CAL Brake replacement caliper pads. These are the real deal and sold in sets of four only.

#001-62030 Caliper pads: \$59.95 set
