

# Lighting & Accessories

**'50 Pontiac Taillights:** These high quality '50 Pontiac taillights have glass lenses and die-cast bezels. Available with or without blue dots.

(A) #011-50TL '50 Pontiac taillights: \$40.00 ea.

(B) #011-50TLBD '50 Pontiac taillights with blue dots: \$45.00 ea.

**'37 Taillights:** These classic, bullet-shaped '37 Ford taillights can be found on everything from Jake's yellow coupe to Jimmy Shine's truck. Brackets are not included.

#011-37-143337 '37 taillights: \$38.00 ea.

**'39 Teardrop Taillights:** With side-mounted bulbs in white powder-coated cast aluminum housings, these '39 teardrops are shallower than stock giving you more trunk space or apron clearance. Also, because the insides of the buckets are white, they're 30-percent brighter than stock lights.

(A) #072-39TL '39 Taillights: \$69.95 pr.

(B) #072-39TLBD '39 Taillights w/ blue dot \$86.90 pr.

**Blue Dots (Only):** These glass blue dots are easily installed in almost any plastic rear light lens. Great for hot rods, customs, choppers, pickups, even VWs.

#011-BD-13450-G Blue dots: \$6.00 pr.

**'40 Ford Taillights:** Also with white powder-coated housings these '40 Ford taillights are brighter than stock lights.

#072-40TL '40 Ford taillights: \$75.99 pr.

**1942-'48 Ford Taillights:** The bulbs in these 1942-'48 Ford lights mount from the bottom (or the top) giving you more clearance. The housings are also white powder-coated for added brilliance.

(A) #072-48TL '42-'48 Ford taillights: \$75.99 pr.

(B) #072-48TLBD '42-'48 Ford taillights w/blue dot: \$89.50 pr.

**Custom '37 Ford Taillight Lenses:** These custom designed art deco lenses are a direct replacement for the ever popular '37 Ford taillights. They are made of space age plastic and are virtually indestructible.

#001-60624 Custom lens: \$14.99 ea.

**License Plate Light:** This tubular stainless steel license plate light bolts through standard license plate bolt holes.

#099-HR-13560-SS Plate light: \$24.95 ea.

**Lobeck's License Plate Light:** As you would expect from Barry Lobeck, this is a beautifully sculptured and chrome plated die-cast light which features two-bolt mounting and comes complete with grommet, bulb holder and hardware.

#015-13550B Lobeck's light: \$29.95 ea.
