(B) #001-61107 S/S unpolished: \$149.00 pr.

GT2 S/S Front Spring Perches: This spring perch design is the industry standard as it closely replicates the original Ford part manufactured between 1928 and 1934. This is what hard core builders use when creating traditional hot rods. They feature S/S construction, 3/4" I.D. bushing eyes, 5/8"-18 S/S Nylok nuts and come either polished or plain.
(A) #001-61101 S/S polished: \$99.95 pr.
(B) #001-61102 S/S unpolished: \$81.00 pr.
(C) #001-61113 Plain forged perches: \$59.95 pr.

GT2 Adjustable Dead Spring Perch: This spring perch is really for the hard core builder. It emulates front suspension designs used exclusively on the oval dirt tracks of the 50's and 60's to eliminate bump steer during racing. Features S/S construction; 3/4" spring eye bushings and all necessary hardware.
(A) #001-61103 Polished set: \$229.00 pr.
(B) #001-61104 Unpolished set: \$219.00 pr.
