A.

B.

'32 Ford Grille Shell and Cowl Lacing Kits: There have been various attempts at isolating the hood from the grille shell and cowl but nothing works better than factory parts. This product is as close as it gets to the original and takes squeaks/rattles out of the equation.
(A) #011-B-16740-S '32 Ford cowl lacing: \$12.50 kit.
(B) #011-B-16739-S '32 Ford grille shell lacing: \$10.00 kit.

'32 Ford Firewall Seal: If you are using an original deuce body or a steel reproduction this firewall seal is a must. The seal plays an integral part of securing, sealing and adjusting the body to the frame via the stock cowl tie down bolts.
#011-B-35336: \$10.00 ea.
